

WOM issues from Susan Polgar:

- To discuss ideas and create projects to find sponsorships for women's events.
- To analyze important points about the women zonals and women continental considering the increase of WGMs in America.
- To create a project to find sponsors and organizers for the Women's World Blitz Championship and Women's World Rapid Championship, and aim to organize it every year or at least every two years.
- To carefully analyze a marketing project to make women's events more interesting to sponsors.
