**Subject:** 2004 olympiad - inspection visit

At the invitation of the Spanish chess federation and the 2004 Olympiad Organizing Committee, and by request of Deputy President Mr. G. Makropoulos, I made an inspection visit to Calvia Mallorca on October 2nd - 5th.

Full and detailed report will be given orally to the Executive Board at Halkidiki, and I will just mention here the following:

1. The Olympiad is definitely taking place with the venue being CALVIA - MALLORCA and the dates are 14th - 31st of October 2004 .
2. The transfer from Minorca to Calvia - Mallorca was a positive move from several aspects and will enable the organizers to hold a very successful event .
3. The Spanish chess federation has invited the Organizing Committee to make a presentation in Halkidiki and it will take place November 1st .
