General Regulations for Competitions

05. FIDE General Regulations for Competitions (GR)

Approved by the 1986 General Assembly, 2007 PB
2011 Executive Board.

Preface
All chess competitions shall be played according to the FIDE Laws of Chess (E.I.01A). The
FIDE General Regulations for Competitions shall be used in conjunction with the Laws of
Chess and shall apply to all official FIDE competitions. These Rules shall also be applied to
all FIDE-rated competitions, amended where appropriate. The organisers, competitors and
 arbiters involved in any competition are expected to be acquainted with these Rules before
the start of the competition. In these Rules the words ‘he’, ‘him’ and ‘his’ shall be
considered to include ‘she’ and ‘her’.

National Laws of the hosting country take precedence over FIDE Rules.

1 Scope

1.1 Where an event has a situation not covered by internal rules, these Rules shall be considered
to be definitive.

1.2 These Rules apply to the following levels of competition:

L1 – Official FIDE events – see FIDE Handbook, Section D, Regulations for Specific
Competitions (World Championships, Chess Olympiad, Continental Championships and so
on)

L2 - Competitions where FIDE titles and title norms can be earned, according to FIDE
Handbook B.01 (FIDE Title Regulations)

L3 - FIDE Rated Competitions, according to FIDE Handbook B.02 (FIDE Rating
Regulations)

1.3 These competition rules may contain regulations defined by other FIDE Commissions,
which are listed in the FIDE Handbook. Where possible, references to these external
regulations shall be shown.

2 The Chief Organiser (CO)

2.1 The federation or administrative body responsible for the organisation of a competition may
entrust the technical organisation to a CO. He, together with the federation or organising
body, may appoint an Organising Committee to be responsible for all financial, technical
and organisational matters.
Other rules hereunder may apply also to the role of the CO. He and the Chief Arbiter (see 3)
must work closely together in order to ensure the smooth running of an event.
2.2 The CO is responsible in particular for:

(1) preparation of the Regulations of the Event - see Guidelines for the Organisers published on the RC website (rules.fide.com)
(2) anti-cheating staff and equipment – see FIDE Handbook A.10 - Anti-cheating Guidelines,
(3) dress-code regulations for the event – see FIDE Handbook A.09 - Code of Ethics
(4) appropriate registration of the tournament in advance – see FIDE Handbook B.02 – Rating Regulations
(5) Media regulations – see FIDE Handbook C.09 – Media Regulations
(6) supervising the work of the technical staff of the competition.

3 The Chief Arbiter (CA)

3.1 The duties of the CA are as specified in particular by the Laws of Chess, General Regulations for Competitions, Anti-cheating Guidelines and so on.

During the event he also:

(1) has to keep the record of each round
(2) to oversee the proper course of the competition
(3) to ensure order in the playing venue
(4) to ensure players’ comfort during play

3.2 Prior to the start of the competition:

(1) he may draw up additional rules in consultation with the CO;
(2) he shall check all the conditions for play, including the playing venue, playing area, lighting, heating, air conditioning, ventilation, noise, security and so on.;
(3) he must acquire through the CO all the necessary equipment, ensure a sufficient number of arbiters, auxiliary technical staff and assistants are engaged and ensure that conditions for the arbiters are satisfactory. Whether the playing conditions meet the requirements of these FIDE Rules is his final decision.

3.3 In case of different opinion between CA and CO regarding interpretation of the Laws of Chess, it is assumed that opinion of CA takes priority.

3.4 At the conclusion of the event the CA shall report as appropriate.

4 Preparation of the Playing Hall and Chess Equipment

According to the FIDE Handbook C.02 Standards of Chess Equipment and tournament venue for FIDE Tournaments

4.1 If possible, a separate area outside the playing area shall be provided where smoking is permitted. This shall be easily accessible from the playing area. If local ordinances totally prohibit smoking on the premises, the players and officials shall be given easy access to the outside.

4.2 If smoking is completely prohibited, it shall be announced in the regulation of the event in advance.
4.3 All games must be played in the playing area at the times specified in advance by the
organisers, unless otherwise decided by the CA (in consultation with the CO).

4.4 For FIDE events (L1) with 30 players or more, at any stage, a large digital timer or clock
shall be installed in the playing hall. For FIDE events with fewer than 30 players an
appropriate announcement shall be made five minutes before the game is due to start and
again one minute before the start of the game.

5 Pairings

5.1 The pairings for a round robin should be made in accordance with the Berger tables (Annex
1), adjusted where necessary for double-round events.

5.2 If the pairings are to be restricted in any way – for example, players from the same
federation shall, if possible, not meet in the last rounds – this shall be communicated to the
players as soon as possible, but not later than the start of the first round.

5.3 For round-robin competitions this restricted drawing of lots may be done by using the Varma
tables, reproduced in Annex 2, which can be used for competitions of 9 to 24 players.

5.4 For the pairings of a Swiss-system competition the pre-announced pairing system shall
apply. (C.04)

6 Drawing of lots and withdrawals

6.1 Responsibility for the drawing of lots and the actual pairings rests with the CA.

6.2 The drawing of lots for the first round of a round-robin competition shall be arranged by the
CO, to be open to the players.

6.3 In L1, L2: round robin competitions and preferably Swisses, the drawing of lots shall take
place at least 12 hours before the start of the first round. In L1 all participants shall attend
the ceremony of drawing of lots. A player who has not arrived on time for the drawing of
lots may be included at the discretion of the CA. The first-round pairings shall be announced
as soon as possible thereafter.

6.4 If a player withdraws, or is excluded from a competition after the drawing of lots but before
the beginning of the first round, or there are additional entries, the announced pairings shall
remain unaltered. Additional pairings or changes may be made at the discretion of the CA in
consultation with the players directly involved, but only if these minimise amendments to
pairings that have already been announced.

6.5 A player who is absent without notifying the arbiter shall be considered as withdrawn (to
have withdrawn), unless the absence is explained, with acceptable reasons, before the next
pairing is published. The rules of the competition may specify otherwise.

6.6 Round robins

(1) Each player has entered into a contract to play throughout the tournament.

(2) When a player withdraws or is expelled from a tournament, the effect shall be as
follows:

1. If a player has completed less than 50% of his games, the results shall remain in the
tournament table (for rating and historical purposes), but they shall not be counted in the
final standings. The unplayed games of the player are indicated by (-) in the tournament
table and those of his opponents by (+). If neither player is present this will be indicated
by two (-).

2. If a player has completed at least 50% of his games, the results shall remain in the
tournament table and shall be counted in the final standings. The unplayed games of the
player are shown as above.
6.7 **Swisses**

(1) If a player withdraws, the results shall remain in the cross-table for ranking purposes. Only games that are actually played shall be rated.

(2) If a player cannot play a particular round it is essential to inform the Pairings Officer and CA before the pairings for that round are made.

Unless the rules of a competition specify otherwise:

(3) In an L2 or L3 tournament: If, after the round has started, two players do not have a game, then they can be paired against each other. This is only allowed when the arbiter and both players agree and they have not already played in this tournament. The arbiter shall adjust the clock times in an equitable manner.

(4) In an L2 or L3 tournament the rules may permit a player to take a half point bye in a given round. It is only allowed once during the tournament, if adequate notice has been given and is agreed to by the arbiter. Such permission might not be granted to a player who receives conditions, or who has been given a free entry to the tournament.

7 **Team competitions and Team Captain's Role**

A team competition is one where the results of individual games contribute equally to the final score of a defined group of players.

7.1 Depending on the rules of the specific competition, the captain shall be required to deliver, at a specific time, a written list naming the players in his team participating in each round. If the list is not delivered by the appointed time, the team list for that round shall be the first named players in the list submitted by the required time before the start of the event. The captain shall communicate to his players the pairings.

7.2 In L1 tournaments, at the start of any round a participating team has to be present with more than 50% players. If 50% or less of the players are present at the start of any round the players present are not allowed to start their games. For other levels this is not obligatory, but recommended.

7.3 The captain shall sign the protocol indicating the results in the match at the end of play.

7.4 A team captain is allowed to leave or re-enter the playing venue only with the permission of the arbiter.

7.5 The team captain (as well as players) must not stand behind the opposing team during play.

7.6 If the team captain wishes to speak to one of his players, he shall first approach the arbiter. The team captain shall then speak to the player in the presence of an arbiter, using a language the arbiter can understand. The same procedure shall be followed if a player needs to speak to the captain.

7.7 A team captain is entitled to advise the players of his team to make or accept an offer of a draw unless the regulations of the event stipulate otherwise. He shall not intervene in a game in any other way. He must not discuss any position on any board during play. The player can also ask his captain if he may offer or accept a draw.

7.8 The team captain may delegate his functions to another person, provided he informs the CA of this in writing in advance.

8 **Tie-breaks and unplayed games**

See FIDE Handbook C.02 - Standards of Chess Equipment and tournament venue for FIDE Tournaments.
Conduct of the Players

9.1 Once a player has formally accepted an invitation, he must play except in exceptional circumstances (force majeure), such as illness or incapacity. Acceptance of another invitation is not considered to be a valid reason for not participating or for withdrawing.

9.2 All the participants should be dressed in a suitable manner. In case of violation of the dress-code regulations, they may be penalised – see FIDE Handbook A.09 – Code of Ethics article 3.2.

9.3 A player who does not wish to continue a game, but leaves without resigning or notifying the arbiter, is discourteous. He may be penalised, at the discretion of the CA, for poor sportsmanship – see FIDE Handbook E.01 – Laws of Chess article 12.9.

9.4 Where it is clear that results have been arranged – see FIDE Handbook E.01 – Laws of Chess article 11.1, the CA shall impose suitable penalties – see FIDE Handbook E.01 – Laws of Chess article 12.9.

9.5 The players should not eat at the chessboard during the game.

Appeals procedure

10.1 When there is a dispute, the CA or CO as appropriate should make every effort to resolve matters by reconciliation. It is possible that such means will fail and the dispute is such that penalties are appropriate but not specifically defined by the Laws of Chess or the General Regulations for Competition. Then the CA (in consultation with the CO) shall have discretionary power to impose penalties. He should seek to maintain discipline and offer other solutions which may placate the offended parties.

10.2 In all competitions there shall be an Appeals Committee (AC). The CO shall ensure that the AC is elected or appointed before the start of the first round, usually at the drawing of lots, or players’ meeting. It is recommended that the AC consist of a Chairman, at least two members and, when needed, two reserve members. The Chairman, the members and reserve members shall, if possible, be from different federations, if it is an international competition. No member of the AC involved in the dispute shall rule in that dispute. Such a committee should have an odd number of voting members. Members of the AC shall not be younger than 21 years old.

10.3 A player or a registered official representing a player or team may appeal against any ruling made by the CA or CO or one of their assistants. Such an official may include the player’s team captain, head of delegation or other person as defined in the rules of the event.

10.4 An appeal shall be accompanied by a fee and submitted in written form not later than the deadline. Both fee and deadline shall be fixed in advance. The decisions of the AC shall be final. The fee is returnable if the appeal is successful. The fee (or part of it) may also be returned if the appeal is unsuccessful but considered reasonable in the view of the committee.

Media

11.1 Television cameras that are noiseless and unobtrusive are permitted in the playing venue and contiguous areas with the approval of the CO and CA. The CA shall ensure the players are not disturbed or distracted in any way by the presence of TV, video cameras or other equipment.

11.2 Only authorised photographers may take photographs in the playing venue. Use of flash in the playing area is restricted to the first ten minutes of the first round and the first five minutes of each subsequent round, unless the CA decides otherwise.
The Regulations of an Event may include other rules due to the peculiarities of the event. The authorised photographers may take photographs without flash during the rest of the round in the playing area, only with the permission of the CA
