

To all National Chess Federations and FIDE Chess Academies

The International Chess Federation (FIDE), together with the Chess in Education Commission, the Commission for the Disabled and FIDE Social Commission, is pleased to announce the Educational FIDE seminar "Chess for children with autism spectrum disorder. Learn & teach".

What:

At this educational seminar speakers will talk about the ways of teaching chess to children with autism spectrum disorder and explain their methodology covering the following topics:

- What is autism spectrum disorder?
- How to teach chess to children with autism?
- How to prepare the classroom? What else to pay attention to?

International
Chess Federation
