Occupation or position held	CEO and sole shareholder- TACI OIL INTERNATIONAL TRADING AND SUPPLY SHA
Main activities and responsibilities	Taci Oil International operates in the local market for over 7 years now, leading the domestic oil market. The storage facilities of the company reach 37.000m <sup>3</sup> , located in two strategic locations near the Adriatic coast. The strategy to develop the domestic and export market, is to create a network of major distributors and to progressively reduce the supply through secondary wholesalers, with the purpose to serve the main domestic and foreign consumers/end users by actively promoting our sales through a consistent and programmed marketing operation. The goal is to reach the final consumer, through vertical integration by further expansion of the retail network. This strategy will ensure the improvement of the overall quality of the business and service to the client/end user.
