EXPO MILAN 2015 CHESS MOVE CHESS FOOD FOR THE MIND

"Expo Milan 2015 Chess Move" wants to be a sports and cultural multifaceted event linked to the world of chess: Standard, Rapid and Blitz tournaments, for both adults and young people, will alternate and run for an intense week, during which "the Steam Factory" Events Centre in the heart of the city and the ultra modern Gae Aulenti Square, will become the epicentre of chess in Milan.

The occurrence of the International Exhibition Milan Expo 2015 offers the opportunity to crown the champion for each game type (Standard, Rapid, Blitz) and for each of the 4 Sections (International, Masters, National, Regional).

If you want to become
"Expo Milan 2015
Chess Move"
CHAMPION in your
Section, then the time
has come: Come forward!

“EXPO MILAN 2015 CHESS MOVE” CLASSIC TOURNAMENT

■ CLASSIC TOURNAMENT

This will be held in two different but both prestigious playing halls: the first one is Fabbrica del Vapore (Steam Factory). This is a multi-functional centre located in Milan, Procaccini street, 4 in Sempione area, not far from the Arc of Peace and P.ta Garibaldi Station, the second playing hall is the "Navigli Club", which is the original and historic location of Accademia Scacchi Milano, (Chess Academy Milan), located in De Amicis street 17, in the heart of Milan: as the crow flies, it's 1 km away from the Duomo Square.

The 9 rounds OPEN Tournament, EXPO MILAN CHESS MOVE INTERNATIONAL, will take place in both locations (Steam Factory during the weekend and the "Navigli" Club during the week) whilst the other tournaments: EXPO MILAN CHESS MOVE MASTERS, NATIONAL, REGIONAL, YOUTH RAPID FINAL of the CISU16 FSI and the BLITZ Marathon 50 will only take place at the Fabbrica del Vapore (Steam Factory).

PLAYING HALLS

■ Fabbrica del Vapore (Steam Factory), "The Cathedral" building

On 26th January, 1899 the **Steam Factory** was born, after a series of events and after the failure of the original locomotives manufacturing company, which occurred in 1935. However, in November 1985, the Borough Council of Milan attempted to recover and develop the area with the objective to create an **experimental centre, built especially for the city of Milan**. A common place, where young people can compare ideas and creative skills, with operators and experts of the various cultural production sectors. A modern and multi-functional site able to host exhibitions, congresses, events, happenings, and much much more, right in the heart of Milan.
