## Invitation to

### 2015 Asian Youth Chess Championship in Suwon Korea

To Friends and Families of Asian Chess,

On behalf of Korea Chess Federation and under auspice of Asian Chess Federation, I have the pleasure of inviting members of Asian Chess Federation to **2015 Asian Youth Chess Championship in Suwon Korea from 3<sup>rd</sup> Aug. to 11<sup>th</sup> Aug. 2015.**

Please, accept my apology for the sudden change to the tournament date and short notice. However, I promise to make up to you by making this event one to be remembered for long time to come.

The venue and accommodation, Kyung Hee University Campus, boasts having the most beautiful scenery in Korea, if not in the World! You can

wonder around beautiful gardens, green woods and large shopping malls all on the same day. On top of all this, we will keep you occupied with many events including [World Youth Mind Sports Fair](#) where you can enjoy rapid, blitz and other forms of chess as well as other mind sports such as Go(Baduk).

Please, see the attached information and regulation. I look forward to seeing you in Korea in August.

Yours sincerely,

HYUN In Suk,

President

Korea Chess Federation

2015 Suwon Asian Youth Chess Championship organizing committee
