

# ASEP Meeting

## Minutes

**Chairman: G. Gijssen (NED)**

Secretary: Pan. Nikolopoulos (GRE)

Members: A. Vardapetian (ARM), J. Mena (ESP)

The chairman presented some possible questions for the examination tests of the Seminars for discussion, mentioning that they should be included in the examination tests that the Lecturers use in the FIDE Arbiters' Seminars.

P. Nikolopoulos said that ASEP must create a common examination test which shall be translated in all official FIDE languages for the Seminars and used by all Lecturers.

A. Vardapetian mentioned the great difficulties that the participants have when their native language is not the language of the Lectures of the Seminar and of the examination test.

Chairman G. Gijssen proposed all the examinations tests used by the various Lecturers to be collected and one common examination test to be created as a pool of questions, so that the Lecturers will be able to choose from this a number of questions for the examination test in their Seminars.

The proposal was accepted.
